### **Attendees (24)**

Members: K2AL, KD2CMS, K2DAM, KC2DSH, W2EWQ, K2EZR, N2FYE, AC2GL, K2GLS, KC2HLA, W2IOC, N6JIV, KD2JRI, KD2ONY, KC2OSR, W2PTP, WB2QOQ, N2TO, W2UDT, K2UI, KC2WUF, KD2VZA, K2YG/1. Guest speaker: Julia Lovallo.

### **Discussion Topics:**

1. Club President W2PTP started the Zoom Meeting at 7:40 PM.
  
2. Julia Lovallo, who has 18 years graphics design experience, was the guest speaker and made a presentation on QSL design. Some key points of the talk:
  - A QSL can be considered a “marketing tool” and should reflect your interests or “who you are”.
  - You can design and/or print your own QSL’s with assistance from various graphics, logo design and printing websites such as Canva, 1-800 Postcards, 99designs and CustomQSL.com.
  - Julia recommends no less than 300 DPI for artwork resolution.
  
3. KD2ONY, Eric, described a youth skills program sponsored by the IEEE for the purpose of offering incentives to 500 youths to get their ham license. Radios will be supplied to those youths who earn their license. VE’s are needed.
