April 1983

Active CW Filters April 11, 1983 Meeting

Dave Jagerman, *KC2FR*, will give us some insight about the latest in Active CW Filters.

April 8, Just a reminder

Time is running short. Better get your "STUFF" together. This Friday evening is the event we've all been waiting for.

The annual "Auction" will begin at 7:00 PM. The site is the Westminster Presbyterian Church Hall, at the corner of Mountain and Plainfield Avenues, Berkeley Heights, NJ. Talk-in Freq. will be 145.8 (Simplex). See you there.

Coming Events:

- April 8 - NPARC "Auction"
- April 9 - Flemington Flea Market
There will be several groups going down (with XYL's) so listen to 145.8 during the week for details.
- April 16-17 - Trenton Computer Fest
- April 25 - Fourth Monday Meeting of the NPARC
- April 29 to May 1 - Dayton Hamvention
There is one reservation remaining for the Dayton trip. Includes airline ticket and a room at the Dayton Airplane Motel. Contact Bay Rowan, *W2GKF* - 464-5090

Editor's Note:

I am almost always in need of material for the *Spark Gaps*. So if anyone has anything that's for sale or something that you need, please get the information to me.
