## February 13th Meeting Moved to Murray Hill Square

IMPORTANT--NOTE WELL: The regular meeting scheduled for February 13, 1978 has been moved because the Library will be closed for Lincoln's Birthday. The meeting place will be in the Wimmet House at the corner of Floral Avenue and Chanlon Road in the Historic Murray Hill Square complex. Floral Avenue parallels the Erie Lackawanna RR on the north side of the tracks. The Wimmet House is directly across the street from the Lincoln Federal Savings Bank. See the map on the right for the location. The item which follows covers details on the program--the Equipment Exchange and Auction.

## Equipment Exchange and Auction Featured at February 13th Meeting

For parts, equipment items, and an evening of fun, be sure to attend this one! Your extra equipment may be just what another club member has been looking for. Clean out your ham shack while the XYL applauds. Bay Rowan, W2GKF, will again be the master of ceremonies and the guidelines will be as follows:

  - A. Donate the item to the club
  - B. Maintain ownership until sold
    - a) The club will deduct 10%
    - b) Owner may stipulate minimum sale price
2. Items for sale will be accepted from club members only  
Any person may submit donated items
3. Sellers must remove unsold items from the premises
4. The master of ceremonies may--
  - A. Bid for his own account
  - B. Combine donated lots
  - C. Ask for reduced minimum sale price
5. Successful bidders must consummate their purchases immediately

Be sure to attend this great annual event. Remember, the place is the Wimmet House at the corner of Floral and Chanlon (NE corner), Historic Murray Hill Square, at 8:00 PM, Monday, February 13th.

## Dues Due

The Club Treasurer, John Sheetz (K2AGI) again would like to remind all members who have not completed a business transaction for 1978 dues...please do it. The amount is \$5.00 for regular members; \$1.50 for student membership.

## Wanted--Two Meter Gear

Butch Black, WA2EPK, is looking for equipment which would be useful for Oscar 2-meter uplink transmissions. If you have suitable gear, or know of any, contact Butch at his home, 635-1335.
