Jan. 1973
Vol: 8, No. 1

MEETING: MONDAY, JANUARY 8, 1973 at 8 p.m.
RED CROSS BUILDING, 695 Springfield Ave. Summit

SPEAKER: We have an exciting program planed for you in January. Our honored speaker will be DR. JERRY SEVICK, W2FMI, a frequent contributor to QST. He will speak to us on GROUND MOUNTED SHORT VERTICAL ANTENNA SYSTEMS. Most hams have read his excellent articles in the past, but this time we will have the jump on the rest of the pack, as this subject will not be published in QST until March 1973. Dr. Sevick is currently the Director of Technical Relations for ~~New Jersey~~ Bell in Murray Hill. He received his PhD from Harvard in 1952 - in Antenna Theory and in Semi-Conductor Devices.

SPEAKER NEXT MONTH: Dr. John Irwin K6SE/2, who is now in Peru making astronomical sightings and studying extraterrestrial activities.

CONGRATULATIONS: To Al Howarth who is now WA2NPY. We hope to see him on wto meters soon.

LOCAL FIRM: NIDISCO, INC. 2401 Vauxhall Road 964-7070 now in electronics but planning to stock Ham Gear, and will stock and/or get anything that you want. Please call them so that they will know your desires.

HEATH-KIT: Heath is producing a 2-meter FM transiever kit and linear kit to be marketed very soon. Looks good!
