January 1984

January 9 - First Business Meeting of 1984

Your 1984 officers would like to use this meeting as a means of organizing the coming year. This is a good time to get those ideas across for the things that ***YOU*** would like to see the club do for the coming year. So come on out and be heard.

Happy New Year

The officers of the New Providence Amateur Radio Club wish to extend a Happy and Healthy New Year to all of its members and their families.
