FIELD DAY'S-A-COMING - Final plans for it this meeting.

The above is just around the corner. We make our final plans at our regular meeting on

JUNE 8, 1970 - 8:00 p.m. at Red Cross Headquarters  
in Summit.

At the meeting, each of the station-masters will outline his station, and make preliminary assignments. Here it the tentative set-up for Field Day-June 27-28, 1970:

<u>Station</u>	<u>Frequency</u>	<u>Manager</u>
A	80/40 CW	Bob Latter & Don Joslin
B	80/40 SSB	Al Hirsch
C	20/15/10 SSB	Russ Zears
D	6/2 AM	Barry Campbell
E	Novice bands	George Eastland
Antenna Erection Chief		Bill Owens
Field Day Manager		Barry Cohen

ARDEN JOHNSON WB2GPG - Member Extraordinary,

Arden, WB2GPG, has been transferred back to Detroit, Michigan area and will report for duty there on June 8th. This is a permanent move - so we have lost Arden as a club member, but we are pleased that the move will bring Arden back to his homeground and to a challenging new job. We wish him well - and will be looking forward to meeting him on 80 - 40 - 20 and other meters when he is all settled.

Arden has been one of the club stalwarts. He has been net control since the beginning of the net; wrote and taught out novice and general class license courses; has held all club offices; has been Field Day manager (several times); cook; Field Day leader; trouble shooter; activities organizer; and general center of club enthusiasium. We don't know where the club would be with his tireless efforts. We'll miss him, but thanks to his efforts, he leaves a sound and active club.

WARNING TO DX'ERS!!! W2SE, W2YFM and W2GZZ - BEWARE!  
Barry, W2CGX and Al, K2SKV have the concrete bases in the ground for their towers - it won't be long now!
