June 11 - Business Meeting

We will put the wraps on our Field Day plans. A lot of effort is needed from a lot of people. So come out to the meeting and to Field Day.

It doesn't matter what your operating skills are, you can be a big help to this operation. It is a good time for everyone to sharpen their skills or, for new comers to learn some contest type operating procedures. Remember, the key to this weekend is **FUN**.
