PROGRAM

N.J. MARS OPERATION

MONDAY, MARCH 13, 1972 - 8:00 p.m.
Red Cross Building, 695 Springfield Ave. Summit

Our subject this month is the Military Affiliate Radio System-MARS. It is another important phase of Amateur Radio. The new N.J. State Director of the Air Force MARS program is Don Moore, AFC2KOT/WB2KOT, who will be our guest speaker. As you heard last month, Amateur Radio offers many different opportunities for the hobbyist. Traffic handling in the MARS Program provides valuable training for Hams and is an important Public Service. Don will give us the details.

COMING PROGRAMS

On April 10 we will have Hayden Evans, K2BZT, describe a frequency counter that he has built. Hayden is always a welcome guest. Remember his last visit when he told us how to get those QSL cards back for DXCC, etc? This should be a most interesting program.

Pat & Fred Weiner, WA2RRI & WA2RIM, have an S9 signal on FM with home-brew gear using the Sonobuoy Board sounds great.

Barry, W2PDG, can finally rotate his 2M antenna.

John, K2AGI, seems to have licked the impossible, a decent signal on 2M, thanks to his California KW lunch-box! Tune in on our 2M next, Sunday at 9 p.m. on 146.52 MHz.

Better take a listen to Barry, W2CGX, any weekend on W2KMB on your AM radio dial. (Ye Printer heard him Monday last at 9 a.m. with fine signal).

AUCTION

Tri-County Club's Auction will be held on SUNDAY, April 23 at the ARBOR INN, W 8th. St. and Rock Ave., Plainfield. Doors open at noon and sale start 2 p.m.

DATA

Charles Werner, WB2DZM, asks if anybody has info about the APR5A/R111A Receiver? It seems to cover 1-4 KMHz. Someone must have an item showing conversion data.

EQUIP. SALE

ARRL

Great meeting last month, right? Future of Ham Radio looks good, right? So, join or re-new ARRL membership. Let the Club mail, your forms. We get \$\$ for doing it.

TRIPLE

Ye Printer has a triple card - three brothers MUEFORD. W2CU - New Jersey; W3CU - Maryland; W6CU - California. All three have been on the air for more than fifty years and belong to the Old Old Timers Club.
