George Diehl - FCC and ARRL Matters March 14, 1983 Meeting

George Diehl, **N2IHA**, the Hudson Division Director of the ARRL will talk to us regarding the current happenings between the FCC and ARRL. There are a number of hot items currently going through the red tape of the FCC that can have an effect on each and everyone of us. This is your opportunity to let George know your feelings regarding these matters.

SILENT KEY

Dr. Stu Davis, **N2ZH**, a Life Time Honorary Member of the **NPARC**, passed away recently. He was known for his expertise in electronic instrumentation, communications and as a telegraph historian. Dr. Davis founded the National Telegraph Office, Museum and Library of Union. During World War II, he was on special assignment as a code breaker. He was a consultant to the Smithsonian Institute, Washington, DC., member of the Radio Engineers, Instrument Society of America, Antique Wireless Association, the Society of Wireless Pioneers, Audio Engineering Society and the Radio Club of America.
