
WA2MOT at May 14 Meeting With RTTY Sequel

Webb Linzmayer is returning, by popular demand, to continue his interesting adventures with sophisticated RTTY reception. Those who heard Webb describe his earlier experiences will remember that his techniques are very advanced and involve mini-computer based methods. Webb has prepared a new talk to bring us up-to-date with the state of the ether in RTTY communications.

Meeting Change Due To Memorial Day Holiday

The Library will be closed on Memorial Day. Our meeting will be shifted to Tuesday, May 29, 1979 at 8:00 PM in the usual meeting room.

Hidden Transmitter Hunt Planned for June 3rd

Charlie Dinyovszky, N2AI, has agreed to lead the Club on another outing to find the elusive "rabbit" (hidden 2-Meter Xmtr). Further details and contest rules will be provided at the meeting on May 29, 1979 (Tuesday evening).

Morris Radio Club Sponsors FCC Exams

FCC examinations for Technician, General, Advanced, or Extra Class licenses will be conducted on Saturday June 2, 1979 at 9:30 AM EDT Sharp. The place is Boro School, Speedwell Avenue, Morris Plains NJ.

Correctly completed and signed FCC Form 610 (Sep 1977 or later issue only) with copy of current license, must be received by Morris Radio Club, PO Box 53, Whippany NJ 07981, no later than May 18, 1979.

NO WALK-INS ON JUNE 2nd! For more info contact John, K2AZ at 201 538-1667. (A limited supply of FCC Form 610 will be available at the May 14 NPARC meeting.)

Hamfest Season Returns

Tri-County Radio Association will hold their annual Hamfest on Sunday, May 20th at the Passaic Township Youth Center, Stirling, NJ. Hours are 10 AM to 5 PM.

Monte Shultes, K2DLJ, of the Raritan Valley Radio Club (remember the micro-computer controlled repeater lecture?) will bring information about their upcoming Hamfest to the May 14th meeting.
