

MOUNTAIN SPARK GAPS

NEW PROVIDENCE AMATEUR RADIO CLUB

Club Nets - Every Sunday - 145.8 MHz - RTTY- 8 PM / FM 9 PM

May 1982

Moon Bounce - May 10

If you ever wondered, if there was any use for the moon, besides in the month of June, be sure not to miss the May 10 meeting. Mr. Phil Lanese, **K2IBP**, will share his years of moon bounce experience and latest specialized filtering techniques with us.

Transmitter Hunt - May 16

The Spring Transmitter Hunt will be held on Sunday, May 16. The check-in point for the hunters will be in the West Parking lot in front of Bell Labs, Murray Hill. This is the lot on the right as you enter Bell Labs. The hunt will begin at 1:15PM, so be there by 1:00PM if you plan to participate. If you're interested, come on out, am sure someone will have room for a rider. The rabbits will be Ernie Kolb, **WB2WZX**, and Bob Brown, **W2EME**, the winners of our last hunt. All activity can be monitor on the club frequency, 145.8 MHz, for those who can not attend. Good Luck to all.

Thoughts of Appreciation

I would like to thank Bob Craig, **W2EAL** for the great issues of Spark_Gaps. I'm sure that all club members share my thanks. I only hope that I can continue to maintain the standard that Bob has set. In the future, anyone with something for the Spark_Gaps, please contact - Larry Eckenrode, **WA2KRZ**.

Memorial Day Parade

Anyone interested in representing the **NPARC** at the New Providence Memorial Day Parade, contact Harry Kundrat, **W2YEZ** for details. We will have two vehicles this year. Bring your hand-helds. The parade will start promptly at 10 AM.

Field Day is Coming

We need **HELP!!!** It's time to make plans for Field Day. We need a chairman, station managers and the help of all those interested, in order to make this year's outing as successful as those in past years. Please contact Harry Kundrat, **W2YEZ**, if you would like to participate. Also, those members who have club equipment at their QTH should also call Harry. We may need the equipment for Field Day.

Coming Events
