Sun 8 & 9 PM

-----  
November 13th Meeting On TV

No, sorry, the meeting will not be televised for later viewing at home. Channel 5's camera crew will not be here but we have lined up something better. Our speaker, Ron Henderson, WA2FWH, is planning to tell us all about the finer points of that electronic marvel--Television. Ron has extensive background in this field, including studio design and construction. Plan to take leave from the area in front of your picture tube for this occasion. You may learn much about the important space behind the screen.

Call For Nomination of Club Officers

Nomination of Officers will take place at the next business meeting, November 13, 1979. The program segment will follow as usual.

Program Set For 4th Monday Meeting

The November 27th meeting (Monday after Thanksgiving) will feature technical details involved in "phone patching" with much enlightening info on how your telephone works and how to stay on the good side of the Telephone Company.

New Year's Ritual Announced by Club Treasurer

With 1978 drawing to a close, our Treasurer, K2AGI, is including a membership form and dues notice for 1979 with this issue of Mountain Spark Gaps. Annual dues are payable as of January 1, 1979. Please bring your dues to the meeting on January 8, 1979 along with the filled out membership form. (If you mail your dues and form, please send to NPARC Inc, PO Box 813, New Providence NJ 07974.)

For Sale
