Al Hirsch and his helpers did a terrific job at Arnold Auditorium on Sept. 22nd. Attendance was about 75 with representatives from all the area radio clubs plus Vice Director George Diehl, W2IHA. Digital counters are being built by many club members thanks to Bill King's efforts and explanations. A printer for the "SPARK GAPS" is still needed. Bob Ruedisueli has "free" back issues of QST and misc. parts. Contact Bob Latter, 665-0479, for details.
