
Historical Firsts Relived at October 13th Meeting

To celebrate the 60th anniversary of the earliest trans-Atlantic 200 Meter radio transmissions we have Joe Wintermute, W2DQA, as speaker for the next program on Tuesday, October 13, 1981. Joe will tell of the exploits of the pioneer builders and operators of 1BCG, one of a small number of experimental DX stations. In addition, he will have examples of some of the equipment used in those exciting days of the first successful radio communication over long distances. Come and learn, firsthand, how far technology has progressed in the intervening years.

Be Sure To Read About October Meeting Change

Due to the Columbus Day holiday, October meetings will be held on Tuesday, October 13th and Monday, October 27th. Meeting time is 8:00 PM, as usual. In November, the meetings will be held on the regularly scheduled 2nd and 4th Mondays of the month.

Draft Of New Club Constitution To Be Presented

A committee for the review of the NPARC Constitution and Bylaws has worked throughout the summer to create a proposed new document for governing the major work of the Club. A first publication of the proposal will be made at the next meeting on Tuesday, October 13th. Several new or changed features of the text will be reviewed briefly at the meeting.

Schedule Fixed For Hidden Xmtr Hunt

The hidden transmitter hunt is no longer tentative. It has been scheduled for Sunday, October 18, 1981 with a starting time set for 1:15 PM. Intrepid hunters will assemble at the usual starting place--the west visitor's parking lot at Bell Labs, Murray Hill. If you need directions, the talk-in frequency is 145.8 MHz.

The rules will be the same as for the previous hunt which was held on May 24. Copies of the rules and entry blanks will be available at the next meeting (Tuesday, October 13, remember) as well as at the starting point.

Mark Your Calendar For Holiday Dinner Party

A reservation has been made for the annual NPARC Holiday dinner. The party will be held on Friday evening, December 4, 1981 at the King George Inn, Mt. Kemble, NJ. Set aside the date now to insure that no conflict will interfere with one of the high points of the Club year.

Hamfests, etc:
