Meeting Change

Monday, October 11, is a holiday. Therefore, this meeting is cancelled.

FOX HUNT

A Fox Hunt will be held on Sunday, October 17. The check-in point for the hunt will be in the West Parking Lot in front of Bell Labs, Murray Hill. This is the lot on the right as you enter Bell Labs. The Hunt will begin at 1:15PM, so be there by 1:00PM if you plan to participate. The rabbits will be Al Perkins, **K2GKV**, and Bob Willis, **N2GLS**, the winners of our last fox hunt.

The rules for the Fox Hunt are attached. Please read them over before the hunt.

OCTOBER 25 - BUSINESS MEETING

The normal business meeting for October will be held on Monday, October 25. There will be several important topics to discuss at this meeting. The results of the fox hunt will be announced. We are hoping that George, Hanchett, **N2YM**, will be on hand to start plans for the Dec. 3 Christmas Party. There is a lot of work to do and I'm sure George will have all the beginnings of the plans. This meeting will be kept as short as possible, in order to allow those that wish, to join a caravan to Lou Rodriguez's QTH. Lou, **NB2BUY**, has invited us to enjoy a tour of his shack. Lou has recently completely his RTTY equipment setup using a KIM computer.
